嘉杉嘉华幼儿园

Jack & Jill Academy is a full day child care and education service provider with high quality services catering for children aged 2 to 6. We are dedicated to integrating the essence of both Chinese and Western teaching practices. We practice The HighScope Curriculum and IPC Curriculum, both of which are widely recognized as advanced curriculum in the early childhood education field and seamlessly interface with leading international schools. We believe in, and focus our practice on "children's active learning".

All of our teachers hold a bachelor's degree or above and graduated from top universities in China and/or overseas countries. More than 30% of our teachers have a master's degree.
